W.P.(C)No.28813 OF 2007

.....

DATED THIS THE 28TH SEPTEMBER, 2007

J U D G M E N T

I do not propose to go into the merits of the matter. The grievance of the petitioner is that the 4th respondent is conducting an industry within the area of the 1st respondent-Corporation in an unauthorised building and that too in a manner as to generate considerable pollution. Exts.P1 and P3 are seen pending before the 1st respondent. The 1st respondent will immediately take up Exts.P1 and P3, conduct necessary enquiries in the matter through the 3rd respondent and take a correct decision on Exts.P1 and P3 after hearing the petitioner and the 4th respondent. This will be done by the 1st respondent within one month of receiving copy of this judgment as well as copy of the Writ Petition and all the exhibits.

The Writ Petition is disposed of as above.

(PIUS C.KURIAKOSE, JUDGE)
